OFFICE LAYOUT

TYPE 1

Office area

Exclusive offices for medium and large-sized enterprises with teams up to 160 people. All premises benefit from ambient natural light and can be adapted, expanded or subdivided as per customer's preferences.

Break room

In the two corners of each floor there is one break room for the company employees to relax, socialize, or grab a coffee & a snack.

Meeting room

On each floor there are two meeting rooms for the teams to hold conference calls, trainings, meetings, team briefings, etc.

Common area

Optimized common space, including reception & waiting area, server rooms, archive, restrooms, etc., ensuring maximum functionality and accessibility from all working stations. All office floors are accessed through three dedicated elevators.
